

# NSF Young Festival Critic Competition

Dear Parent / Guardian

We are writing to invite your son / daughter to take part in the Young Festival Critic Competition 2024. The competition is part of the Newbury Spring Festival events calendar and is an opportunity for children between 5-18 to express their thoughts and feelings of a live musical performance. The format of the review can be submitted in a range of ways, whether that be as a filmed news report, a traditional concert review, a blog and, for our younger entrants, even a picture expressing how the performance made them feel.

Entries should be submitted before 15 June 2024 and winners will be announced before the end of the summer term.

Newbury Spring Festival have been working with St Gabriel's School and Good Vibes Music Academy to create a set of resources to help pupils write their reviews.

To enter the competition, access the support materials and see the prizes on offer, visit our step-by-step guide using the link below.
